WELCOME TO GROWTH TRACK

We are so glad you decided to take your next step and put down roots at Crossroads! We can't wait to see what God does through you. We believe that every person was created by God on purpose for a purpose and we want to help you discover how you can use your unique gifts, passions, and experiences to help build the Kingdom and become a catalyst for change in another person's life.

The Growth Track Program will take you through four important steps that will help you decide if you are ready to start serving here at Crossroads. As you go through Growth Track, you can use this guide to fill in the important places in each of our Main Videos. We also encourage you to check out the supplementary videos for each Step if you want to get a little deeper into any subject.

As always, if you have any questions or concerns, our team is here for you! You can reach out to any of our Growth Track Team that you met at the Meet and Greet or email us at info@crossroadsconnects.com!
